

Building Estimator

We are a successful local small to medium sized building contractor specialising in a variety of mainly domestic works including conservation, listed buildings work and barn conversions as well as standard modern buildings throughout Buckinghamshire, Oxfordshire, Hertfordshire and Berkshire. Our 'family feel' run business have a great opportunity for a qualified Building Estimator to join our friendly team.

The ideal candidate should already have a minimum of 5 years' experience in estimating/surveying in general building dealing with our projects valued 50k to 2M. We believe a good standard of work, a determination to learn and develop your skills are more important than qualifications.

For the right candidate we would consider this role on a freelance bases or as full-time employment. We would also happily consider flexible/hybrid working.

This role will involve, but not be limited to:

- Day-to-day estimating/surveying/take offs etc.
- Tendering for our projects with a value range of 50k to 2M
- Site visits
- Supporting the team in any post tender negotiations
- Reconciliation of pricing with team during construction phase of projects
- Working with the team to support other required daily activities

Experience level required:

- Minimum of 5 years' experience in general building estimating
- Excellent communication skills and meeting time critical deadlines
- Confident in coordinating with clients
- Good knowledge of using Estimating software

Salary and working hours:

- Competitive Salary of £50,000 - £65,000 dependent on experience
- Company vehicle can be provided
- Company pension contribution
- Flexible working hours Monday – Friday for the right candidate
- Role is available with immediate start

To apply, please complete an enquiry form on our recruitment page or alternatively e-mail us at: mail@saundersbrothers.co.uk with your CV attached.

About Saunders Brothers

Brothers Martin and Darren Saunders bring a lifetime of building and bespoke joinery experience. Formalising the company in 2005 the family run business now employs over 25 full-time staff calling on a trusted network of skilled subcontractors.

Saunders Brothers regularly undertake large and medium sized building projects across Buckinghamshire and the Chilterns, particularly in the villages and smaller towns. Our mission and

passion are to deliver dream residential and commercial projects, doing this professionally, efficiently, and safely for our clients.

At Saunders Brothers we believe our team deserve quality materials and a supportive environment to create work they can be proud of. Our clients deserve that standard of workmanship and are entitled to a minimum amount of stress and disruption during any project. This approach has led us to become one of the most trusted and well-respected builders in Buckinghamshire and the surrounding area.
