- Second Fix e.g. Swinging/hanging doors, fitting ironmongery, kitchens, skirting and architrave, fabricating wardrobes using MDF, boxing in soil pipes/services etc.
- General carpentry e.g. Plaster boarding, general site activities.

Experience level required:

- Minimum of 5 years Carpentry experience
- Someone that can use their own initiative
- Quality workmanship and takes pride in their work

Site requirements and location:

- Site locations are within approx. 20 miles of our Princes Risborough office
- Transport allowance
- Own tools required (110v only and or battery-operated tools)
- Own PPE

Salary and working hours:

- £150-£200 per day based on experience
- Working hours 7:30am-4:30pm, Monday – Friday
- This is a Self-Employed role initially, however an Employed role can be considered after a trial period

About Saunders Brothers

Brothers Martin and Darren Saunders bring a lifetime of building and bespoke joinery experience. Formalising the company in 2005 the business now employs over 25 full-time staff calling on a trusted network of skilled subcontractors.

Saunders Brothers regularly undertake large and medium sized building projects across Buckinghamshire and the Chilterns, particularly in the villages and smaller towns.

Our mission is to deliver dream residential and commercial projects, doing this safely, efficiently and professionally for our clients.

At Saunders Brothers we believe our skilled craftsmen deserve quality materials to create work they can be proud of. Our clients deserve that standard of workmanship and are entitled to a minimum amount of stress and disruption during any project. This approach has led us to become one of the most trusted and well-respected builders in Buckinghamshire and the surrounding area.
